

# COACH SERVICES TO CLSG

Please note that both of these services are arranged privately between CLSG parents and the service providers, and are not run in any way for or by the school.

## North London Coach Services:

### ABLE COACHES

Able Coaches of Edgware provides a minibus service to students living in North London from both the Preparatory Department and the Senior School. Able Coaches is a Department of Transport approved operator with a full fleet of modern vehicles. At present, minibuses deliver girls to school in the morning between **8.15am and 8.30am** and collect them at the end of the day at approximately **4.15pm**.

#### Route:

Temple Fortune  
Hampstead Garden Suburb  
Hampstead Pond  
Kentish Town  
City of London School for Girls

All Able Coaches meet current legislation and, additionally, are equipped with two-way radios (back-to-base and driver-to-driver) and mobile phones. The service on offer is for a return journey, with no reduction for single journeys, whether on a permanent or regular basis. The current charge is £6.50 per day, calculated on the number of school days in each term. Payment is made in advance for each half term. The operators, Mr David and Mrs Eileen Andrews, will make special arrangements for periods of study leave, extended sickness (one month or over), etc.

For further details and all other queries, please contact Able Coaches on 0208 952 4772 or 07831 167873 (mobile). Able Coaches are happy to discuss routes and arrangements with current and prospective parents. Those taking advantage of the services are asked to note that a half-term's notice is required if they subsequently decide to withdraw from it.

### TRANSPORT4SCHOOLS

A service is also run by Transport4schools, who currently have a route through Finchley, Hampstead Garden Suburb, Golders Green, Hampstead, Belsize Park, St John's Wood and Primrose Hill. See their website [www.transport4schools.org](http://www.transport4schools.org) for more details and to get in contact.

If there is sufficient demand in other areas, they will look to extend their current routes or set up new runs.
